2022 Grant in Music Report Form

Syracuse Sounds of Music Association requires a report from your organization in order to document the use of our grant funds. If your grant was for a single event, please send your report within a month following the event. If your project is ongoing and not a single event, your report is requested on or before January 15, 2023. This coincides with the deadline for 2023 grant applications. If you are applying for a grant in 2023, we must have your 2022 grant report in order for your application to be considered. Please note that the projects for which you received an award in 2022 must be completed within the calendar year. You are not required to use this form; however, the following information MUST be included in your report:

1. Name of Organization:

2. Grant Amount:

3. Event or Project Name:

4. Event Date and Location (if applicable):

5. Number of Performers or Participants:

6. Number of Attendees (if applicable):

7. Describe any way the project differed from your proposal:

8. In your own words, how did it go?

9. How was Syracuse Sounds of Music Association recognized (newsletter, program, etc.)?

We do not require photographs or other materials, but if you would like to send us supporting documentation we would love to have it. Photos may be emailed, but please send any other materials and your report by USPS to:
